

James Willison

Managing Director Web Connectivity Ltd.

James Willison is Managing Director of Web Connectivity, a wholly owned subsidiary of Advisen, based out of London.

Web Connectivity provides the Global Insurance and Reinsurance market with ACORD based messages solutions, utilized in the electronic Placement and Accounting & Settlement of (re)insurance risks. James' responsibilities include working with clients on the implementation of significant change and business process improvement projects. In addition James is responsible for lead generation, sales and marketing and account management of many of the world's largest insurance and reinsurance organizations.

Previously to working at Web Connectivity James worked as a Management Consultant in the Lloyd's and London Insurance market, gained a joint honors degree in Law and Accountancy and achieved his chartered Insurer status.
