

Rick Hernandez

EVP, Product Management

Ricardo “Rick” Hernandez is EVP of Product Management at Advisen. In this role, he is responsible for defining product strategy, the Advisen Data product roadmap, and the development of products that help the commercial P&C insurance industry solve challenging risk and insurance problems.

Hernandez has more than 20 years' experience in various roles managing and developing new data analytics products for the P&C industry. Previously, he was Senior Manager of Analytical Services for Risk Management Solutions (RMS), where he was responsible for defining the product vision and managing new and existing products. Prior to RMS, Hernandez was Director of Product & Systems Development at Verisk Analytics.

Hernandez is a graduate of Bernard M. Baruch College and holds a Master's degree in Management Information Systems and a Bachelor's degree in Finance.
