Today's Moderator

David Bradford- President,
Research & Editorial Group, Advisen
Ltd.

Today's Panelists

Anthony Dagostino
Vice President
ACE Professional Risk

David Navetta
Founding Partner
Information Law Group

Vinny Sakore
Cloud Security Manager
ICSA Labs

Today's Panelists

Anthony Dagostino is Vice President of Regional Field Operations for ACE's Professional Risk Division, where he is responsible for overseeing the underwriting production and staffing operations for North America. Mr. Dagostino has more than ten years' experience in the insurance industry, specifically in underwriting Errors & Omissions (E&O) and professional liability, managing alternative risk transfer programs, and implementing foreign professional indemnity policies. Mr. Dagostino has spoken at numerous industry events and has been published in several periodicals, including *Group Practice Journal* and *Healthcare Financial Management Magazine*. Mr. Dagostino can be contacted at Anthony.Dagostino@acegroup.com.

Today's Panelists

David Navetta is one of the Founding Partners of the Information Law Group. Mr. Navetta has practiced law since 1996, including technology, privacy, information security and intellectual property law. He is also a Certified Information Privacy Professional through the International Association of Privacy Professionals. Mr. Navetta has enjoyed a wide variety of legal experiences over his career that have provided him with a unique perspective and legal skill set, including work at a large international law firm, in-house experience at a multinational financial institution, and an entrepreneurial endeavor running his own law firm. Mr. Navetta can be reached at dnavetta@infolawgroup.com.

Today's Panelists

Vinny Sakore, CIPP/IT, is the Cloud Security Manager for ICSA Labs, an independent division of Verizon. Mr. Sakore is a former CTO of two Health IT companies; he joined Verizon, specifically ICSA Labs, in 2011. At ICSA Labs, he leads the Cloud Security program and provides leadership support for the Healthcare IT testing programs and the Mobile Security program. In addition to his duties at ICSA Labs, he serves on Verizon's HIPAA Security team. He actively participates in a number of privacy and security initiatives, including the Healthcare Information Management and Systems Society's (HIMSS) Patient Identity Integrity workgroup, IHE USA's Patient Care Device certification workgroup, and Cloud Security Alliance's certification workgroup. Mr. Sakore can be contacted at Vinny.Sakore@icsalabs.com.
